

Highlights:

- Mesh perforation with hexagonal pattern
- Swing handle with cylinder lock
- Installable on front and rear

The SPR32GL is a perforated steel grill door, which replaces the standard included tempered glass door for SPR series 19" rack cabinets with a height of 32 U and width of 600mm. The mesh perforation with hexagonal pattern provides an optimal air flow through the cabinet. The swing handle with cylinder lock safely locks the equipment inside.

Product Features:

Unit height	32 HE
Weight	7 kg
Colours	Black (RAL9004)
