

Perforated grill door for 42HE SPR rack cabinet - 600mm width

Highlights:

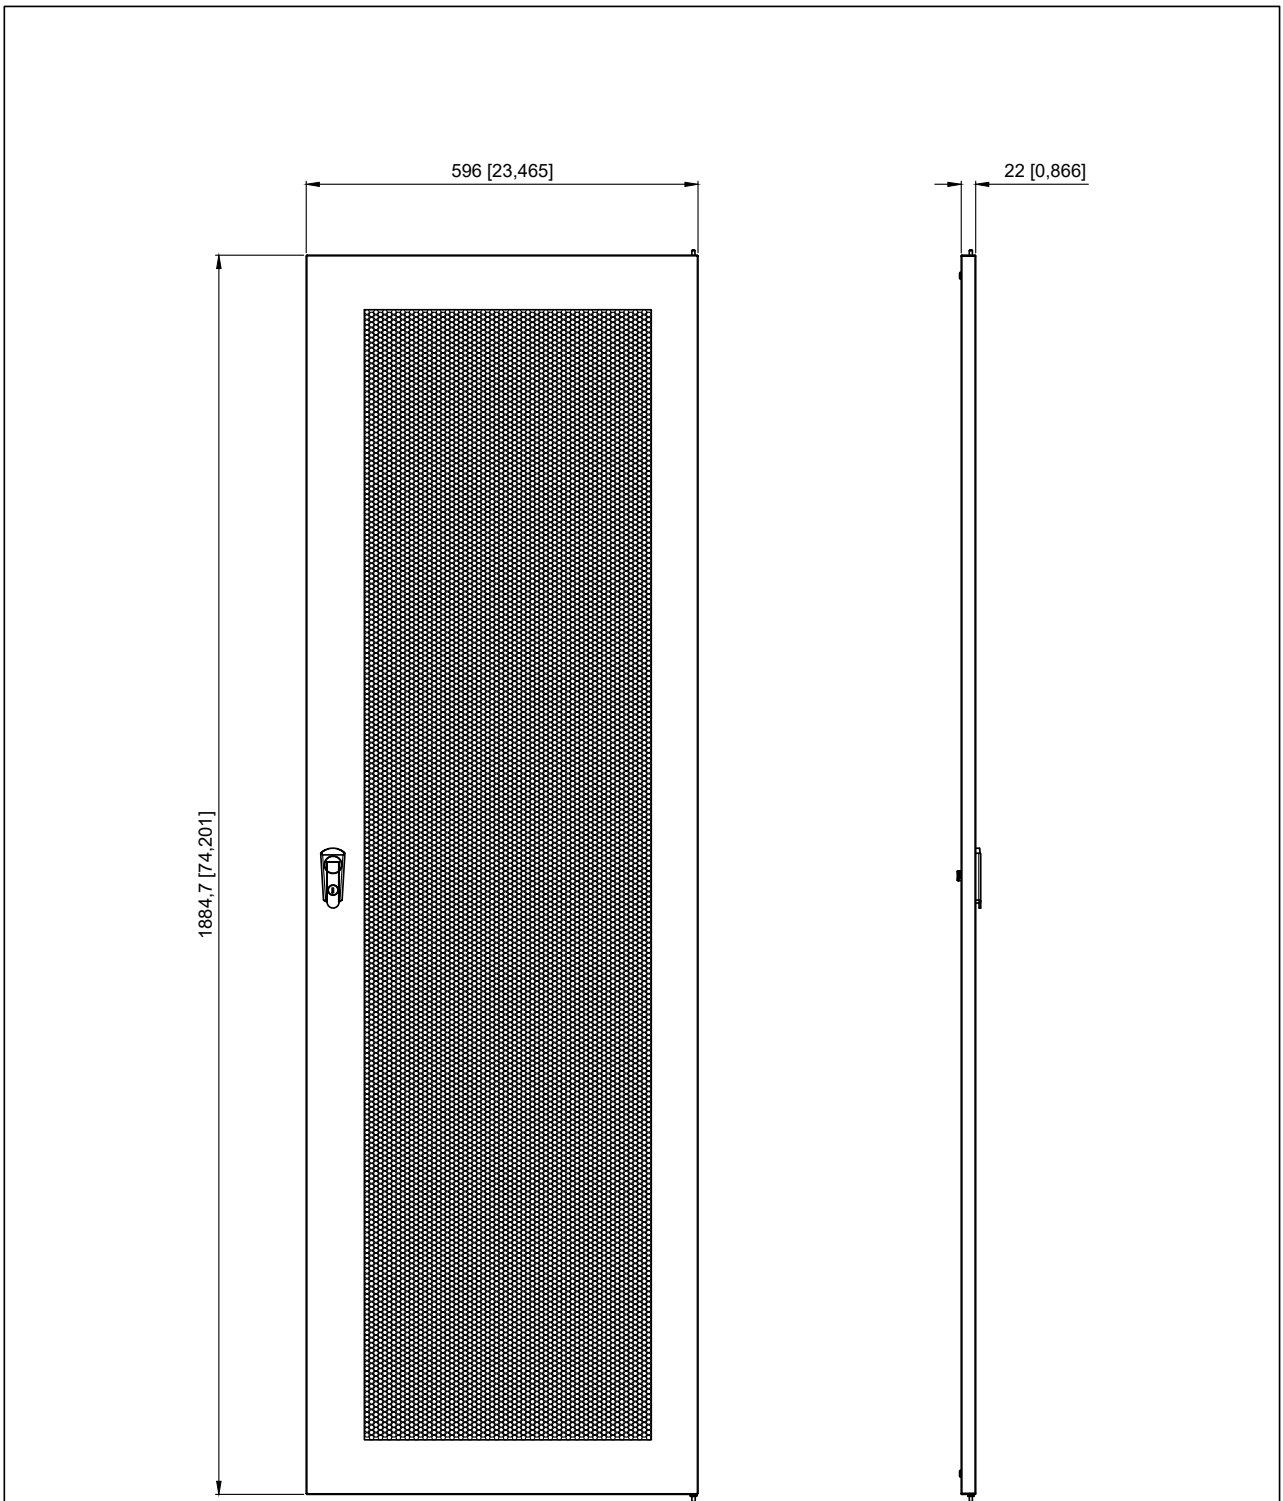

- Mesh perforation with hexagonal pattern
- Swing handle with cylinder lock
- Installable on front and rear

The SPR42GL is a perforated steel grill door, which replaces the standard included tempered glass door for SPR series 19" rack cabinets with a height of 42 U and width of 600mm. The mesh perforation with a hexagonal pattern provides optimal airflow through the cabinet. The swing handle with cylinder lock safely locks the equipment inside.

Product Features:

Unit height	42 HE
